1. Definitions

1.1 **"Data"** means the Data available in the Art Sales Catalogues Online Database, created by IDC Publishers BV and based on Frits Lugt's Répertoire des Catalogues de Ventes Publiques.

1.2 **"Images"** means the scanned pages of the Catalogues described in the Art Sales Catalogues Online Database and filmed and scanned by IDC Publishers BV.

1.3 **"Copyright Holders"** means IDC Publishers BV.

1.4 **"Distribution"** means to publish, reproduce, license, distribute, transmit, broadcast, or publicly exhibit, display or perform the data or any part, alteration or derivation, in combination with other matter, (including, but not limited to, text, data, images, photographs, illustrations, animation and graphics, hyperlinks, video or audio segments), in any manner now known or to become known, and in any format necessary including, but not limited to: the Internet, portable digital storage devices, client-server computer networking environments, and paper printouts of materials created using the Data or the Images.

1.5 **"Eligible institution"** means any of the following institutions in Germany or German institutions abroad that need the Data for research, education or reference activities: Higher Education Institutions financed either by public or private funding; National, regional and state libraries; Academic specialist libraries mainly financed by public funding or church-funding; Research institutions mainly financed by public funding; Governmental institutions.

1.6 **"Authorized users"** means those who view or in any way use the Data and Images through the networks of all Eligible institutions, in particular: Higher Education Institutions: Students including guest students, Faculty including visiting lecturers, Staff and contractors and Walk-In-Users, remote access for registered users included. Academic Libraries, Research Institutions and Governmental Institutions: Staff, contractors and Walk-In-Users, remote access for registered users included. Non-institutional access of individuals shall be permitted via individual usernames and passwords issued by Bayerische Staatsbibliothek or the group of libraries, amongst them Bayerische Staatsbibliothek, involved in the national licensing initiative, subject to a requirement of permanent residence in Germany.

3. Data Use, Image Use, Copyright Ownership and Attribution

3.1 The user is permitted to search, view, retrieve, display and or print portions of the Data and Images and also save electronically portions of the Data and Images.

3.2 The Data may be used only for non-profit personal, scholarly or educational use. Use for commercial purposes is prohibited without the permission of the Copyright Holders. For information about the use of the Data for commercial purposes or about copyright permission, please consult IDC Publishers.

3.3 The Images, whether viewed on screen or printed, may be used only for non-profit personal, scholarly or educational use. Printing of individual Images is allowed, however it is not allowed to print whole or substantial portions of catalogues for permanent storage. For information about the availability of printed and bound copies, please consult IDC Publishers.

3.4 Distribution of the Data, the Images or resulting products is prohibited without the explicit written permission of IDC Publishers.

3.5 The Copyright Holders shall retain all rights, title and interest to the Data and the Images under Dutch or foreign copyright laws. Authorized users shall include an appropriate copyright notice on all materials as necessary to indicate copyright ownership of the Data and attribute authorship to the Copyright Holders. For example, "Copyright 2004, IDC Publishers BV"

5. Term and Termination

5.3 IDC Publishers is entitled to suspend access to the Data and Images, or to terminate this agreement by written notification, if any of the following events occur:

b) IDC Publishers have reason to suspect use by Users associated with the Client that is not compliant with this license agreement, including, but not limited to, systematic downloading of (substantial parts of) the Data or Images.

For this national license this means that if misuse is discovered at one of the institution(s) that or those institution(s) can be suspended from access.
